Due to the current increase in coronavirus infections across the country, and the increased restrictions, and responsibilities, that are placed on us in the various Tiers, we have taken the difficult decision to close our churches for face-to-face services. Bishop Michael has now extended the dispensation on this matter to 31st March. This has not been an easy decision, but we have considered your safety (as well as the safety of the church representatives) above all else.

Our churches will be available (where possible) for anyone who wishes to have access for personal prayer. To access your local church please contact one of the churchwardens who will try their best to facilitate this. In the meantime, services will continue to be streamed on Facebook by Rev. Cath at 10.30 a.m. each Sunday. Our Sunday telephone service at 5.00 p.m. and our Evening Service on Zoom at 6.30 p.m. will also continue and we encourage you to join us then.
