### ***Thank You***

Life for everyone over the past year or so has been extremely difficult on so many different levels and so it had been incredibly humbling to see how many people have continued to support all our churches across the benefice in both physically and financially. Although our churches have not been physically open as much as we would have liked them to be, they still needed to be cared for and the bills still needed to be paid and it has been heart-warming to receive such support from our communities. Due to the generosity of our communities, we have been able to carry on looking after our buildings and paying our bills and our Parish Share.

The funds that we receive through our regular giving scheme help us to budget for the coming year and to plan our outreach and mission. If you would like to support any of our Churches by regular giving then please contact Rev'd Cath, our church wardens or our treasures who will be able to give you the information about how you can make a one off or regular donation by our weekly envelope scheme or by direct debit. If you are a UK taxpayer and give your permission, we can also claim gift aid on your donation which increases your donation by 20%. Lichfield diocese also run a 'giving direct' scheme where the donation and gift aid will be paid to the church of your choice each month. Details can be found on the Lichfield diocese website.

St Giles Haughton and St Mary and All Saints Bradley are part of the easy fundraising scheme. Major online retailers will make a donation to the cause that shoppers nominate at no extra expense to the shopper. You can find out more and nominate your chosen church at
