Pew News

This week's pew news is actually for three weeks!
This is because Ralph is having a holiday and as a result has produced a bumper edition of our weekly newsletter for services up to 15th August

Covid Safety across our Benefice

Last weekend saw our first services following the relaxation of restrictions in England.

We hope that you enjoyed them and thank you to everyone who helped over a busy weekend in all our churches.

Please continue to wear your masks when entering and leaving church and when singing to help prevent possible transmission. Posters are displayed in all our churches with the details of our guidance for the Benefice.

As a Benefice, we have taken the decision to continue to support our communities and maintain infection control measures. Posters will be displayed in our churches with the rules we would like everyone to follow to protect each other.

In case of an emergency relating to church please contact the relevant Churchwardens.

For any Safeguarding emergencies please contact Ralph Howarth – Benefice Safeguarding Coordinator on 07734 702231.
