**Pew News**

Back to normal again now readers. We hope that you've all been able to have a rest and possibly a catch up with friends and family. Most of all, we hope that you remain safe and well.

***Covid Safety across our Benefice***

Thank you to everyone for continuing to support our efforts to keep all our congregations safe and well when attending service in our churches. The feedback has been very positive, and we aim to continue these efforts until such time that we are safe to go back to normal.

If there is anyone who you know that would normally attend church and is unable to for whatever reason, then please get in touch with Rev'd. Cath who will arrange to call them.

Please continue to wear your masks when entering and leaving church and when singing to help prevent possible transmission. Posters are displayed in all our churches with the details of our guidance for the Benefice.

In case of an emergency relating to church please contact the relevant Churchwardens.

For any Safeguarding emergencies please contact Ralph Howarth – Benefice Safeguarding Coordinator on 07734 702231.

You may be aware of the news that a large branch broke off the tree to the front of St Mary and All saints in Bradley recently. Thankfully the tree had already had some work done to prune several large branches from it and this meant that no damage was caused to the church.

Further work is now being planned to prune more branches to make the tree safer.

Our sincere thanks to everyone who jumped in to help notify the necessary people and then work to cut the debris back and clear the mess. You are all stars!

We are very conscious about the needs of our Parishioners and wouldn't want people driving the country lanes as darkness draws in over the coming months.

As a result, we have taken the decision to move our Evening Services to a 4.00 p.m. start to allow you to travel and return home in daylight.

On Saturday 21<sup>st</sup> August we will be interring the ashes of Edna at St Editha's.

Please keep Edna and her family in your thoughts and prayers as we pay this last mark of respect to her.

The service will take place in the churchyard at 3.00 p.m.
