Pew News

Thank you to the eagle-eyed readers who spotted the “typo” in the pew news. I'm glad you let me know as I don't want to promote “service sin” in church!

Covid Safety across our Benefice

Thank you to everyone for continuing to support our efforts to keep all our congregations safe and well when attending services in our churches. The feedback has been very positive, and we aim to continue these efforts until such time that we are safe to go back to normal.

If there is anyone who you know that would normally attend church and is unable to for whatever reason, then please get in touch with Rev'd. Cath who will arrange to call them.

Please continue to wear your masks when entering and leaving church and when singing to help prevent possible transmission. Posters are displayed in all our churches with the details of our guidance for the Benefice.

In case of an emergency relating to church please contact the relevant Churchwardens.

For any Safeguarding emergencies please contact Ralph Howarth – Benefice Safeguarding Coordinator on 07734 702231.
