Thursday 25 th November	

Covid safety in our churches

We are constantly reviewing our guidance in relation to Covid safety in our churches.

The booster programme is going well, but we still need to exercise caution to maintain each other's safety.

We are going to maintain social distancing for our normal Sunday services. In addition to this we ask that you continue to wear your masks to and from your pew, and when going up to the altar rail for communion.

When going up for Communion we ask that you follow the guidance given by the Rector at the start of each service and please do not leave your pew until asked to do so by the Stewards.

At large services, where social distancing is not possible, we ask that masks are worn at all times whilst in church (including when singing) and standing will not be allowed.

Thank you for supporting us to keep our communities safe.

In case of an emergency relating to church please contact the relevant Churchwardens.

For any Safeguarding emergencies please contact Ralph Howarth – Benefice Safeguarding Coordinator on 07734 702231.
