Coronavirus Update

As you will be aware, England reverted to “Plan A” of the Coronavirus guidance recently. The current guidance is **The government suggests that you continue to wear face coverings in crowded and enclosed spaces where you may come into contact with other people you do not normally meet'.**

We have, therefore, reviewed our risk assessments and are still strongly recommending that face coverings are worn when entering, leaving, and moving around the church to keep us all safe. Face coverings may be removed when sitting in pews but please think of others if you choose to do this.
